## **Drama Department Curriculum Overview**

## **Curriculum Overview**

Students will learn about a range of dramatic styles. Whilst developing their knowledge and understanding of drama, students will also develop their dramatic skills and ability to critically analyse and evaluate creative work.

We aim to inspire students to appreciate and create Drama and use the discipline as an opportunity to unleash their creative talent and build knowledge and understanding vital for success in Drama at GCSE and beyond.

| Year 7 | Introduction to Drama  Students will complete a number of short tasks introducing them to key terminology for drama and also learn how to approach a script completing a short performance in a monologue or duologue.  | Pantomime  Students will learn about Pantomime as a style of theatre, exploring its history and place in British culture. During lessons students will also practice performing in the style of Pantomime rehearsing and performing a short-scripted performance. | Students will develop the physical-theatre approach to performance. The unit uses the drama medium of mime, gesture and music. Further, it has a recordable 'product' that students will be working towards throughout and so is a project-based scheme.  | Developing Group Work and Still Image  Students explore the use of performance skills while working in groups, in which they develop soft skills through the 5Cs (Cooperation, Concentration, Communication, Creativity, Control).  Students will explore the issue of Bullying making and developing work using theatrical devices and techniques introduced in the unit. | This unit introduces students to the work and processes of a contemporary Theatre company. Students continue to refine the 5Cs whilst learning about the potential of physical theatre, physical storytelling and create short movement performances.   | Thriller  Students will build on learning from the year using this to create and take part in drama that introduces the genre of thriller and technique of whole class drama.   |
| Year 8 | Review of Year 7 (single lesson) Students will complete a range of tasks utilising skills and knowledge taught in year 7. This will be an opportunity to see what has stuck. Greek Theatre Students will learn about Greek Theatre in historical context and its influence on modern theatre. Students will know some of the ways in which theatre was performed the key moments from a tragedy. Students will be able to perform extracts and characters from Greek tragedy using a range of drama techniques. | Students explore the original play text of Doctor Faustus by Christopher Marlowe and learn about the historical context of the play.  | Theatre in Education/Process Drama  Students will explore issues and scenarios that require the use of a range of drama strategies.  Process drama is an experiential method of working that differs from other forms of drama in that it isn't a means to a product/performance, the process is a product in itself. | Students are introduced to the theatrical forms and practice a range of techniques and characters in rehearsal and performance. Students also learn about the historical influences that derive from the theatre forms making links to work on Pantomime in Year 7.  | Brecht & Devising Drama Students are introduced to one of the most influential theatre practitioners of the 20th Century. Using aspects of Brechts style of Theatre students create short performances. Lesson by lesson students will be instructed to use devices and techniques like: Breaking the 4th Wall, Narration, Montage and Multi- role playing. | Students learn to interpret key extracts from the play practically and develop their understanding of how to develop characterisation  Students will explore a range of themes in the text, both practically and through discussion |
